We are a dedicated service club. We have found that a totally committed member brings not only vitality to the Club, but much fulfillment to the member. There are many opportunities for learning and fun. Some of the activities to which you may contribute include:

Flower show

Newsletter

Wreath and Greens sale

Yearbook

Garden tour

Refreshments

Plant sale

Horti-therapy with seniors

Town beautification maintenance

Publicity

Please indicate any talents you might like to share with the Club.

Your first two years of membership are provisional. To maintain membership, you are expected to contribute a minimum of 20 hours per year participating in Club activities of your choice (split evenly between fundraising activities and community/club service activities) including participating in the summer watering of the Club-maintained community gardens, and attend at least three of the monthly meetings. It is your responsibility to keep a record of your hours and to present your record to the Membership Chairman by the annual June meeting.

Annual dues for provisional members are \$40.00.
